April 2016

Greetings to all of our members! There will be a number of events this month, and extended hours.

Annual Meeting: The annual meeting was held March 22. A brief report was made by each of the directors present. Discussion occurred regarding the by-laws revision. The proposed revisions were approved and accepted via a motion and vote. Elections were held. Cindy Alderfer and Kyle Allen were nominated to renew their terms, Kim Chadwell to assume a regular voting position, and Nick Harling to be appointed to the board. Officers were then elected. A unanimous slate of officers was presented with all present re-elected. A listing of directors and their position of responsibility follows:

Lynn Hartter, Chairman	Cindy Alderfer, Vice-Chair / Clubhouse
Kim Chadwell, Secretary-Treasurer / Membership	Kyle Allen, Cart Sheds
Matt Saylor, Course	Sheli Shockley, Tournaments
Jody Reel, Social	Nick Harling, Stag

One seat remains open. The committees are subject to change, but special projects is the current area of consideration. Anyone interested in serving should contact any director.

Course: The Chair would like to thank Morrill and Janes Bank and Trust and Saylor Insurance; they have provided new score cards. Also, thank you to Jim Whittaker for paying for tree removal on number nine. There are a few days the course is closed (April 08 and 11). Please note. Also, if the course is closed by weather, please obey orders and do not access. We are working on adding Twitter, improving Facebook, and a potential update to our website so that individuals know the course conditions before they drive to the club. The high school golf team, of course, will be on the course after school. Thank you to Brian Lundergard and crew for continuing to make our course the best.

Stag: Nick Harling joins the board as the Stag chair. We are starting special Stags in May, so potential sponsors should contact Nick, or one of the committee (BJ Johnson, Daniel Keim, Matt Saylor) to do so.

Tournaments: The updated tournaments listing is online.

Clubhouse: Please note the clubhouse hours, which have increased. For April, we are open **4:30 to 9:00** Wednesday through Friday, and **11:00 to 8:00** Saturday and Sunday, *regardless of weather or the temperature*. If you can't play, feel free to watch the PGA or MLB on our flat screen. Daily Specials will be offered for evening meals. Also look for more drink specials as we fine-tune our member preferences. **NOTE: We cannot legally serve alcohol for consumption on property during a KSHSAA event---no alcohol until play ends and tournaments have concluded on April 08 and April 11.** We apologize for the inconvenience. Because our clubhouse is "open," we must restrict sales during events. We will have some work/project times, mostly during the week. These will be e-mailed to membership.

Social: Jody has some fun ideas in store, and will be collaborating with Hannah Clements, Clubhouse Manager. We will be having a party on the new terrace and patio areas this spring.

Pool: As always, Dave Remmers will be having some work days. Please contact him if you are interested in assisting with opening the pool.

Membership: We are excited to have additional payment options. You may pay in full, in two halves, quarterly, or, now, by monthly debit from your account. Contact Kim Chadwell with questions. All prospective members should complete the basic sheet from the website and have a sponsor. Prior members who are returning (within the last five years) need only contact Kim to renew their membership and informal approval will be granted.

Chairman: We would like to thank all members for their continued support of the Club. I would like to personally encourage you to try out some of the new items in the dining room; we are more than happy to do carryout orders if you are on a schedule or just prefer to eat at home.

If you have suggestions, feel free to get in touch with any director. Enjoy the golfing season!

Respectfully,

Lynn Hartter
Chairman
