

Sabetha Golf Club

Hello Sabetha Golf Club Members!

We hope you are enjoying the benefits of the clubhouse kitchen update that has recently taken place! With the new equipment, we are able to provide a safer kitchen environment, run more efficiently, modernize our clubhouse up to date, and most importantly, better serve our members! We would love to see these updates continued past the kitchen doors into the rest of the clubhouse!

The Board has decided to delegate the golf club facelift project to a specific committee, comprised of a board member, and several club members volunteering their time. The committee has met on numerous occasions, and has come up with a list of items that will improve and update in the clubhouse, while still maintaining our classic golf club atmosphere. You may have noticed the sunroom has already gotten a fresh coat of paint on the walls & trim. The committee plans to continue the paint job throughout the clubhouse on all doors, windows, and trim. Items also being considered are new flooring in the sunroom, new lighting fixtures in the dining room & bar area, and storage cabinets & paint in the bathroom hallway.

Unfortunately, these updates come with a price tag that isn't figured into the clubhouse budget for at least the next few years. That's where you as members come in! The committee is looking at a budget of approximately \$6000 to accomplish everything that they would like to see done. We would love each of you to be a part of your clubhouse update project. We have divided the estimated budget by our membership base and came up with a figure of \$30 per family/member. If you feel you can donate \$30, or if this project is near to your heart or you feel compelled to donate more, we would greatly appreciate it. You can make your checks out to Sabetha Golf Club and mail to PO Box 27, Sabetha, KS 66534 (cash is also accepted). You can also drop your monetary donation off in a sealed envelope earmarked for the Clubhouse Improvement Project to Dar Stoller. We also have placed a "Wish List" at the bar. If you would prefer to purchase something off of the wish list, we have made the details of our items available (style number, pictures, where to purchase, etc.). You are welcome to pick an item (or more!) from the list, or to go in with friends to purchase the specific item. If you are interested in this, please contact Cindy Alderfer by email at alderfercindy@gmail.com, or by phone at 785-285-1020 We take pride in our Clubhouse and want you to be proud to bring your family and guests out to enjoy the facility!

We kindly ask that all donations be received by September 1st, 2013.
