January 2016

Happy New Year!

On behalf of the Board of Directors, I am wishing all of our members a safe and happy new year. The Club will reopen for our continued winter hours on Wednesday, January 13, 2016. We will be open Wednesdays and Thursdays through the month of January.

A Pitch night will be held January 20---please see the attached calendar. We also will be serving a number of different specials during the month for both Stag and for Thursdays. Please also check for posted inside specials. As the menu is in the process of being revised and updated, we will be featuring some items on discount that we do not plan to carry forward on the permanent menu, but may still offer or feature temporarily from time to time.

The Clubhouse will continue to transition, as well, during the early months of 2016. We do have plans to position a television in the bar area, and consider an additional screen in the dining room. This will add to a casual atmosphere, but we will still maintain the ability to dress up the tables with linens and china as the occasions dictate.

Many members expressed regret there was not a dinner party for New Year's Eve. The Board is currently considering dates for winter and spring social events and also special dinners. As the fiscal year is coming to a close, a vacancy on the current board remains. We combined committee assignments this year to give the board the ability to operate with seven members or nine members. We currently have six with a vacancy in the social chair position. Anyone interested in this position should contact a board member. In the meantime, if you have an idea or suggestion for an event or meal, please contact Lynn Hartter, Cindy Alderfer, or any other board member.

We will have further updates on the course and clubhouse as we near the busy season this spring.

Have a wonderful 2016!

Lynn E. Hartter
Board Chair
