

June 2016

June has begun and the busy season at Sabetha Golf Club. The swimming pool is now open and the weather has cooperated, finally, so that the course is not as wet as in May. We appreciate the cooperation of members when the course must be closed due to water. Please thank Brian and his staff for their continued efforts making our course the best around.

The Clubhouse will be open additional hours for the summer. The hours will be 11-9, Monday through Friday and 10-9, Saturday and Sunday. The kitchen will close at 8:00 p.m. except for stag or as demand allows. The bar will stay open as late as needed. If you are on the course, and plan to order, you may always call the clubhouse at 284-2023 to place your order. The Thursday night raffle and wine drawing will continue. As of yet, no one has won the clubhouse credit which is up to \$250.

The calendar of events is enclosed. Please note our stag events (three this month) on Wednesday evenings. Thank you to our sponsors. Additionally, the Sabetha Hospital Golf tournament is June 04. A senior two-man scramble is set for June 21. There is also a ladies handicap tournament on Saturday, June 25. Please contact Jacque Stallbaumer for more information on this event.

Please recall to keep carts **30 yards** from the greens and **do not drive or park on the clubhouse lawn**. Carts are parked and used there only for tournaments as there is little space available. They are not to be on the lawn during stag, regular play, etc. Members---please recall not to park in front of the cart parking area by the east door, when you are visiting the clubhouse.

The Board of Directors has made some shifts and finally has a full nine-person membership. Patrick Sheik has joined the board and will take over Cart Sheds. Kyle Allen will shift to a Finance oversight position later this month. As per the by-laws, our committee "heads" are a guideline. Dave Remmers is overseeing the pool committee and the Board certainly appreciates the work of his committee to prepare for this season.

Please also note the Junior Golf---contact Sheli Shockley if you are interested in details, and also if you are interested in volunteering.

Hannah continues to offer some great specials. Members are encouraged to note both bar and clubhouse meal specials, some of which will be available on the calendar and by e-mail, and other discounts will be impromptu. Please note that meals are available seven days per week starting this month.

A full roster of the Board:

Lynn Hartter, Chair (communicating with Dave for pool)
Kim Chadwell, Secretary-Treasurer, Membership
Matt Saylor, Course, Stag
Sheli Shockley, Tournaments
Pat Sheik, Cart Sheds

Cindy Alderfer, Vice-Chair, Clubhouse
Kyle Allen, Finance
Jody Reel, Social
Nick Harling, Stag

If you have a concern with a specific area of operations, please contact the board member responsible for the committee. E-mail addresses can be used going through the club website---they forward to the correct member. Please recall that the board members, by the by-laws, have limited authority individually and can only act as a group, however, the committee head is the appropriate place to take suggestions, ideas, or concerns.

Have a great June!

Lynn Hartter
Chairman
