

Sabetha Golf Club

Memorial Brick Patio Project

From This:

To This:

Sabetha Golf Club is undertaking a project to improve the grounds to the west side of the pool. This project will include a Memorial Brick patio, new iron fence and patio furniture. Memorial bricks will be sold to help offset costs associated with installing the new fence and a brick patio on the west side of the pool. Once the brick patio and 3 ft. tall fence around it are completed, the next phase will be to replace the existing chain link fence around the pool with a matching 5 ft. tall fence. Gates will be installed on the south end of the patio and on the west side of the pool. Access to the patio will be available from the pool area when the pool is open, or when closed, from the south end of the patio.

Bricks may be purchased for \$50 and will allow four lines of engraving with up to eleven letters per line. Order forms are available either in the clubhouse or may be downloaded from the club website at www.sabethagolfclub.com. Order forms along with payment should be returned to the clubhouse. Donations will also be accepted to help complete this project.
