September 2015

Dear Members:

The cooler evenings have begun somewhat early, but the pool will remain open as long as feasible. The peak hours have dropped, so our clubhouse hours will be adjusted slightly. Please note: while they will normally be 3:00 p.m. to 8:00 p.m. Monday through Friday. September 01 through September 04, and possibly other scattered days, the clubhouse **will not be open until 4:00 p.m.**

Some have expressed concern about the back drive and parking area. The Board is planning to have some work done to repair the washed areas down behind number nine. We are also looking at motion light positioning outdoors.

**Clubhouse/Grill Hours:**

We remain open all week the hours are as follows:

- \*Monday-Friday open 3-8pm please note: temporarily opening at 4:00 p.m. (see above)
- \*Saturday-Sunday open 11-8pm
- \*The Clubhouse will be open Labor Day 11-8pm
- \*The clubhouse may close if weather is poor

**Stags:**

**Social:**

The Club is not planning an organized social. There has been some interest expressed in having the club open during some away college games. If special hours or features will be involved, we will notify members with a flyer and post information in the clubhouse.

Look for information coming up about our fall wine tasting. It will return to the calendar in 2015.

The Mary Cotton Public Library Friends group will be hosting a special social event that will be by reservation, in October. It will be a mystery interactive party with a retro theme, and a social function after the mystery is "solved."
